

The 100 Club is a group of people, members and non-members, who raise funds for our charity by running a private lottery. All members of the 100 Club are allocated a personal number which go into a monthly draw. By spending just £24 per year, only £2 a month, you stand a chance of winning a prize each month. The value of each prize may vary according to how many people take part but if we have 100 members, the prizes are:

1st prize £30, 2nd prize £18 and 3rd prize £12 which accounts for 50% of the 100 Club fund. The remainder goes towards the upkeep of Pride of Mann III.
